- Will our CPP coordinated services impact disproportionality and equity issues?
- How will we connect FFPSA work to other prevention work?
- How will CPP impacts be measured?
- Do our fiscal managers know and understand each other in a way that will allow them to determine the required revenue sharing for candidates and recipients going forward?
- What does each agency or department need to begin planning?
- How will the planning process be coordinated?
 - Theory of Change, Logic Modeling, Strategic Plan, some other project management tool
- What existing Prevention Services/Supports are in place, upon which we might leverage new opportunities?
- What data does each partner have or will have that might inform CPP work?
 - SIP/CSA; JJCPA; LCAP; MHSA; Public Health, etc.
