

Breakout Discussion

Session 2

Instructions

Please discuss with your group members your experience with engaging Indigenous families. This could be the Indigenous families with whom you are currently engaging or whom you have engaged with in the past.

To ensure everyone in your group who would like to share is able to, we have limited the size of the group so that each person has 2 minutes to introduce themselves and respond to the questions.

When we return to the main room, we will spend 5 minutes inviting volunteers to share with the whole group. Please designate a spokesperson for your group if you would like to share a summary of your discussion.

Discussion Questions

1. How have you engaged Indigenous families in the past?
2. Where did you connect with the Indigenous families with whom you engaged in the past?
